

## TWENTY-SECONDS TRIMMED TWICE BY DOUGLAS LEAGUERS

Fourteenth and Eleventh Infantry Nines Leave Colonel Noble's Boys Slim Chance for Pennant

The Twenty-second Infantry, whose glories in the local baseball firmament have been gazed upon with much admiration and wonderment, got thoroughly trimmed at Douglas, twice, Saturday and Sunday, by the Fourteenth and Eleventh Infantry teams.

Saturday game ended 6 to 2 for the

Fourteenth, Watson, twirling for the winners and Huff for the losers.

The Sunday game was one of the best ever staged in the Smelter City, even though it resulted in a shutout, 5 to 0, for the Twenty-seconds. Had the Twenty-seconds won, it would have meant the pennant of the Infantry league for them. They still have a chance for it, however, but a slender one. Each team was to play 12 games. The Eleventh leads the league now, with 7 games won and 4 lost, and only one game to play. The Twenty-seconds have 5 victories and 4 defeats and have three games yet to play.

Should the Eleventh win its one game and the Twenty-seconds take all three of theirs, the two will be tied for the pennant and extra games will be necessary.

Their league now stands as follows:

	W.	L.	Pct.
Eleventh Infantry	7	4	.638
Twenty-second Inf.	5	4	.555
Eighteenth Infantry	5	5	.500
Fourteenth Infantry	3	7	.300

## KALAMAZOO' TURF SEASON IS BEGUN

(By Review Leased Wire.)

KALAMAZOO, Mich., July 31.—The opening of Kalamazoo's ninth Grand Circuit race meeting this afternoon was featured by two brilliant victories for the stable of Walter Cox. He piloted Director Todd to victory in the 2:09 trot, and then captured the \$2000 Rickman hotel purse for 2:12 trotters, with Worthy Prince.

The 2:09 trot was a great contest of five hard heats, the decision going to Director Todd on the strength of his showing in the final summary.

## R.L. Goldberg by Walt Mason

He's cured our gout and indigestions by picturing the "Foolish Questions," that idle gents are always asking; and in his genial humor basking, we can forget a while the sorrows that seem to threaten our tomorrows. This Goldberg is so dad-blamed funny he makes all human life more sunny; when you are looking at his drawings you cease your frettings and your pawings, and just lean back and grin and chortle, and say, "His fun is more than mortal." His wit is sure an endless bloomer, and naught can stay his flow of humor. As he maintains his pictured joking, the rich Tuxedo he is smoking. No doubt while plying his vocation, he finds in that an inspiration, like countless others, who, as winners, find "Tux" as useful as their dinners.

R. L. GOLDBERG  
Creator of "Foolish Questions," "I'm the Guy," "Movie Cartoons," etc.  
"I find in Tuxedo a good tobacco. Its fragrance and flavor are fine. I use it regularly and endorse it highly to all my friends."

## ALKALI DRINKING WATER

Half a teaspoonful of Horsford's Acid Phosphate added to a glass of water neutralizes the alkali and makes the water refreshing and healthful. (Advertisement)

Why the square end?

Have you ever noticed how many expensive cigars from Cuba have the square-end shape? Of course you know there is a reason for that. The reason is this:

Of all cigar shapes, the square-end is the one most likely to give a free-drawing, even-burning smoke. You can see that this is so in the case of the OWL.

Notice that the blended leaves of the OWL filler run all the way down to the burning end. When you light the leaves evenly, you know they're going to burn evenly. No air-holes or torn ends of leaves to deflect the draught and make the OWL gutter. That square-end cures that.

Notice, too, that you get the full flavor of the OWL from the first puff. Not an over-balanced taste of wrapper, but the full balanced flavor of the cigar.

We selected the square-end shape of the OWL as we select the leaves and the Sumatra wrappers—to make the OWL a good cigar.
